Optional		
Gel pens/Colouring in pencils		1
Library Bag (optional)		1
Jovi plastic crayons (packet of 12 or more) optional		

Dear Parents and Caregivers,

Could you please purchase the above items for your child for 2019. It would be appreciated if your child could have all stationery at school on the first day. Please label and name your child's books as set out above. The covering of books is preferred as it does help to keep them in good condition, except the maths book.

The Ezicover book coverings are a stress-free way to cover and protect your child's books. These can be re-used year after year. These are available to order online at ezcover.co.nz. If ordering please enter the code XFC186 as this provides the school with a fundraising incentive. The web link is provided here. <http://www.ezcover.co.nz/>

The Jovi crayons, mentioned above, are plastic, have intense colour and are suitable to use in books, as they don't smudge. We are happy to see children supplied with coloured pencils but we do not use felts in our books.

For your convenience you are able to purchase the above stationery pack from our stationery supplier Eenymeeny. <https://schoolpacks.eenymeeny.co.nz/> You can visit our school website if you would like more details.

Many thanks,
Amanda van Rooy & Angela Wells
