Dear Parents & Caregivers

The school cross-country was held yesterday in damp conditions which suited the event very well. The seniors raced first at 12.30 pm, followed by the junior pupils at 2.00 pm.

There was excellent effort and perseverance demonstrated throughout both events and our pupils performed their very best so they can all be well pleased with themselves.

Thank you to Sarah Wardle & Michelle Orr for their organisation of the cross country.

Maori Parents Consultation Evening – Tuesday 22 May, 7.00 pm at the Eyre Lodge:

It is a time where we can discuss education for Maori learners so that we can work together to provide the best education and kura for your children.

We hope that you will be able to join us.

Please note: The Entertainment Book fundraiser is not a FOTS fundraiser:

This approach is currently being implemented by many local schools in the Rangiora area and is not intended to put pressure on families financially but rather to make the fundraiser more accessible for families to get books if they should wish to do so.

As per the Parents Concerns procedure, if parents have concerns regarding this fundraiser, they should speak with the Principal please.

A reminder to those who haven't bought or returned their copy of the Entertainment book sent home last Friday that payments or returns are due by the 25th May 2018.

If you haven't received your copy yet please let me know so I can follow this up for you.

For those that have already purchased your copy, thank you for your support and enjoy using your book.

The Entertainment book is full of wonderful offers and is of exceptional value. It is jam packed full of activities to do during the year (valid until 01 June 2019), and its great for if you are lost for ideas during school holidays.

There are also fantastic dining and casual dining offers, as well as holiday accommodation discounts and household service offers (car servicing, window cleaning etc).

Take the time to look through the book, if you do not wish to purchase it you could then either ask a family member or a friend if they would like to buy the book or simply get your child to return it to the school office (not the teacher) and pop it in the big white box. I will handle the scanning of the book from there.

If you decide you would prefer the digital version, follow the link below and enter your details as prompted, you could then either ask a family member or a friend if they would like to buy the book or return to the office and pop in the white box.

Should you require more books please return order form enclosed and payment details (if paying by credit card) and these will be arranged for you.

All sales (whether local copies or other districts) made through the link or of book copies benefit the school and our children.

20% of every membership sold contributes to our fundraising.

Help us achieve our goal by sharing this link with your friends and family - *don't forget, they can purchase any one of the 21 Entertainment memberships available throughout NZ and Australia and we retain 20% of the purchase price!*

Thanks for your support

Desiree Mulligan.

Red Riding Robyn Hood

By Gregory Cooper • For ages 5-13 yrs, Terms 1-4

RED RIDING ROBYN HOOD

King George has lost the plot! In his never-ending quest to build bigger palaces, giant walls and enormous statues of himself he has raised the Land Far Far Away tax rate to 101%! Jack and Jill can't afford to get a pail of water, Little-Bo-Peep has to sell her sheep, and even the Princess is so hungry she ate the pea.

When even the bravest of Knights are too scared to stand up to him, the Land Far Far Away cries out for a hero to put a stop to the madness of the King.

2018

The New Zealand Playhouse Theatre will be performing Red Riding Robyn Hood on Friday 29th of June 2018 in the School Hall! With a \$4.50 charge for the performance.

If you wish for your child to participate in this programme please make payment of \$4.50 by Monday 4th June by internet transfer to (010877000619300) or cash payment.

Measles Alert for Schools and Early Childhood Centres

As the majority of children head into the term one school holidays, it is important to remind parents to be mindful of the risks of measles.

Over the past week, there have been five confirmed cases of measles reported in Queenstown, Wanaka, Canterbury and Nelson-Marlborough, and other cases are possible, including elsewhere in New Zealand.

Measles is a serious and highly infectious disease, and these new cases show how easily it can spread.

Families/whanau are encouraged to make sure they are fully immunised against measles and be aware of measles symptoms if they (or their children) are not fully immunised.

Immunisation is the best protection to stop you and your children getting measles. For the best protection, people need to have two MMR (measles, mumps, rubella) vaccinations. The MMR is available from your family practice and is free to eligible people.

With the school holidays coming up, parents should be mindful families and children could be exposed to measles, especially if they are travelling, attending events, holiday programmes, camps, or have friends and family travelling to visit them.

Anyone who is not immunised and gets exposed to a case of measles will need to stay home for at least 14 days to ensure the virus doesn't spread.

Anyone who suspects they may have measles should avoid contact with other people, especially those who aren't fully immunised, and should phone their GP or call Healthline on 0800 611 116 for advice.

It is important to call your GP first because measles is highly infectious, and people with measles can infect others in the waiting room.

Further information can be found at www.health.govt.nz/measles or by calling 0800 IMMUNE.

Yours sincerely,

Dr Ramon Pink. Medical Officer of Health – Canterbury District Health Board

Friends of the School (FOTS) News:

FOTS is excited to be able to offer an option to the families of West Eyreton School where you are now able to purchase lunches online. We will be running this as a trial for lunch on Friday 1 June with our first taster being Pita Pit. Please see the flyer in regards to how to order and we will be sending flyers home with your children so check their bags for these. This is something to help with the morning rush of making lunches occasionally throughout the school year and save the dreaded money box dive to find some cash to send along for sausage sizzles. In order to keep this service in the school we need to get you to support it when you can, so please enjoy the morning off packing lunchboxes and order your children a yummy, healthy option through our 'lunch online' service.

Many thanks

Maryann Read
