Dear Parents & Caregivers

Welcome back to school to all our pupils & families for Term 4.

Term four is a nine-week term, which makes for an even busier time due to the condensed timeframe. We have a number of events coming up in the first weeks back.

School Closed Dates this Term:

- The school is closed this Monday 22 October for the public holiday. School re-opens on Tuesday 23 October.
- The school will be closed on Monday 5 November for a teacher only day, and,
- Friday 16 November for the Canterbury Anniversary (Show Day) public holiday.

Jillian Gallagher – Principal.

Year 7 & 8 Picture Book Authors:

Year 7 and 8 students studying the writing of published authors to gather ideas for writing picture books for junior students.

Whole School - LEARN TO SWIM LESSONS/TECHNIQUE:

Dear Parents/Caregivers

West Eyreton School has partnered with Waiswim (Dudley Park) to provide all students with the opportunity to improve their swimming skills and water safety knowledge.

This programme will take place in early December. The cost for 5 lessons will be \$8.00.

All students will work with specialised tutors who are licensed by Water Safety New Zealand and have had extensive training. Some students will work specifically on their technique, whilst others will have more of a water safety focus.

Students (5 – 13 year olds) are required to bring their togs during the Waiswim week. Lessons will still be held on rainy days (bad weather).

We are looking at sending the Level 6 and above swimmers to the Oxford Pool to ensure all needs are catered for. ***Please fill in the attached information so we can best place your child in an appropriate learn to swim level and return it to your classroom teacher.***

If you wish your child to participate in the programme please complete and return by Friday 19th October or earlier (first week of term 4) to your classroom teacher. Without permission your child will be unable to attend.

Friends of the School (FOTS) News:

Welcome back to Term 4 - We hope you enjoyed a fun filled holiday together.

Firstly we would like to thank **Southbrook Hire** for their continued support in donating the gas bottle for the BBQ when we have sausage sizzles. Without their support - this would cut into the fundraising profits that we are raising for the school so we truly are **thankful** for their generosity.

Pet Day (Tuesday 30 October) - we are serving all of your hungry tummies yummy Food and Cold Beverages. **We are after helpers for 1 hour shifts please** (or whatever you are able to lend a hand with). Please let us know if you are able to assist by emailing fots@westeyreton.school.nz or message us on our Facebook Page 'West Eyreton FOTS'. We are needing 4 helpers per 1 hour shift so your co-operation is appreciated to help make our day run smoothly.

Lunch Online - Our first option for term 4 is Pita Pit. This is on Friday 26 October. Please have your orders in by 9am on Friday 26 October (or please cancel by this time if your child is absent that day). Please refer to the advertisement for details on how to order. Just a reminder - if your child has switched class rooms - please can you update your Lunch Online Account as we are finding that come lunchtime when the orders are being delivered around the classrooms that some of the students have moved to alternative classes. Therefore it means their lunch will be delayed in getting to them whilst we try to locate their new class room. Also a friendly reminder - if your child is absent or you need to cancel their order - please do so by 9am on the day of the lunch as you will be refunded for the order in this instance. However, if you don't cancel - then your child's order will still be made and delivered to the school - therefore we have had some orders unclaimed in the past and no refund is able to be offered to you at this point.

AGM/Event Planning Meeting - We will be having our AGM on Thursday 1 November at 6.00pm in the school Staff Room. We will be electing committee members and officers for our coming year so please send any nominations for Chairperson, Secretary and Treasurer to fots@westeyreton.school.nz by Monday 29 October please. Also if you would like to be part of the committee but are unable to attend our meeting - please send your apology in. All welcome to this meeting.

Please join us on our facebook page to receive regular updates on what events we are part of in the school community. Follow us at 'West Eyreton FOTS'.

WEST EYRETON SCHOOL PARENT CONCERNS PROCEDURES

To ensure that there are clearly defined channels of communication if parents ever wish to express concern about any aspect of the education of their children or the running of the school.

In dealing with any concern it is important that both parties are able to express their views to each other, either directly or through a third party, in the certainty that they will be listened to and given serious consideration.

Note:

For the purposes of these procedures “concern” refers to an issue that, in the staff member’s professional judgement, should be dealt with in a formal interview. In such cases the staff member approached will set an interview time with the parent raising the concern, and outline these procedures.

PROCEDURES

1. Initial meeting

(a) A parent may request a meeting with the class teacher, or support staff member, considered to be the most appropriate person in respect of a particular concern or complaint.

If the issue lies with a member of the teaching staff then that person may ask the Principal or a senior member of the teaching staff to be present. If a teacher does arrange for someone to be present then the parent must be advised of this before the meeting takes place.

If the issue lies with a support staff member then that person may ask the Principal, or one of the teaching staff, to be present at the meeting. If a support staff member does arrange for someone to be present then the parent must be advised of this before the meeting takes place.

(b) Staff should request that parents make an appointment at a time outside the demands of the teaching day, and that the parent provides an outline of the questions or concerns so that a response may be prepared.

(c) The most senior staff member attending the meeting must ensure that a written record is kept of the discussion at the meeting, and of any action points which are agreed to. This should be signed by all parties as an accurate record of the meeting.

(d) The written record must be kept in the child’s file and if necessary (i.e. where the issue relates to the running of the school rather than a classroom issue) a copy should be given to the principal who will place it in the confidential file kept by the principal for that purpose.

Note: If the issue is initially brought to the attention of a staff member who feels that another staff member is the one who should be approached in the first instance then that staff member should direct the parent to the appropriate person.

2. Involving the Principal

(a) If a parent or a staff member feels the issue was not adequately resolved at the initial meeting then the Principal should be approached.

(b) The Principal must gather all necessary data from both sides before attempting to resolve the matter. If necessary, or appropriate, an external adviser may be consulted to provide assistance in resolving the matter. The Principal may be able to resolve the issue without bringing all parties together, but the outcome must be agreed to by them all.

(c) The Principal must ensure that a record is kept of any meeting, or discussions, held to try and resolve the matter, and of any action points which are agreed to. This should be signed by all parties as an accurate record of the meeting.

(d) Any written record must be placed in the child’s file and if necessary (ie where the issue relates to the running of the school rather than a classroom issue) in the confidential file kept by the principal for that purpose.

3. Involving the BOT chairperson

(a) If the Principal is the person concerned and the parent feels that the issue has not been resolved, or if the parent feels the issue has not been resolved despite the involvement of the principal, the chairperson of the Board should be approached.

(b) The chairperson must gather all necessary data from all parties before attempting to resolve the matter and set up a combined meeting of the relevant people unless such a meeting is not considered to be desirable. If necessary, or appropriate, an external adviser may be consulted to provide assistance in resolving the matter.

(c) The chairperson must ensure that, if a meeting is held, a written record is kept of the discussion at that meeting, and of any action points which are agreed to. This should be signed by all parties as an accurate record of the meeting.

(d) The written record must be given to the principal who will place it in the child's file, and if necessary, (ie where the issue relates to the running of the school rather than a classroom issue) in the confidential file kept by the principal for that purpose.

4. Involving Board of Trustees

If steps 1-3 have failed a parent may send his or her complaint in writing to the Board of Trustees who will then determine whether any further action can be taken and report back to the parent on what is proposed.

Note: If initial expressions of concern are addressed to a Board member it is the role of that member to point out the correct procedures to be followed.

Conclusion

Every concern/complaint will be responded to within a reasonable timeframe. Parents will be informed of the resolution or about the process so far.

WEST EYRETON SCHOOL SAFETY IN THE SUN PROCEDURES.

(accredited by Sunsmart Schools)

GUIDELINES:

These guidelines apply during the 1st and 4th terms and as deemed appropriate during September if holding sports days or similar events:

1. Promote awareness of the health hazards arising from unprotected and/or excessive exposure to the harmful UV radiation of the sun, which can lead to serious skin cancer, melanoma, in later life.
2. Positively encourage the use of safe practices in the sun.
3. The BOT will work towards providing a school environment, which provides shade for students and staff.
4. A regulation West Eyreton sun hat will be worn & monitored for all outdoor activities by children.
Definition of a regulation hat: Navy regulation school sun hat (replacements can be purchased through the school office) . This bucket hat has a deep crown with a minimum 6cm brim. The hat will reside at school. (but may be sent home for washing. Parents are responsible to see that it is returned immediately so they are available for use.
5. The wearing of hats will be monitored at morning tea times and during lunch hours.
6. All staff are expected to set an example by wearing a wide brimmed sun hat for outdoor activities.
7. All children are encouraged to eat their lunch in the shade.
8. Students without their sun hat will be required to remain in a designated shaded area.
9. West Eyreton School encourages the wearing of shirts with collars and long sleeves, and long shorts or skirts. Sunglasses that provide good protection for the eyes will be allowed to be worn outdoors.

10. Parents will be encouraged to provide their children with rash tops and sun suits during swimming sessions.
11. Students may bring sunscreen to use if engaged in outdoor activities which necessitate their being in the sun during high exposure times (10 am to 4 pm). It is the parents' responsibility to check that their children are not allergic to the sunscreen product.
12. No child will be permitted to share or to use another child's sunscreen product. Misuse of sunscreen will not be tolerated. Sunscreen containers must be clearly named.
13. Parents who send sunscreen are therefore giving permission for their child to apply the sunscreen product. It is not the teacher's responsibility to apply sunscreen.
14. For E.O.T.C activities sun safety must be included as part of the Risk Management Planning.
15. When enrolling their children, parents will be given a copy of the Safety in the Sun Procedures. The cost of the sun hat is added to the school account.
16. Sun-safety education will be included for all year levels in the Health programme. As a Sunsmart School the UV Index board will be a focus of this education teaching children the difference between risk of sunburn from UV levels & temperature.
17. Parents will be informed of the school Sun-safety procedures each year in term one and term four. Staff will be given a copy of, & refresh their understanding of the Sun-safety procedures at the start of the school year, & whenever, the procedure is updated.
18. This procedure will be reviewed yearly by the Principal in terms one & four prior to informing parents in the school newsletter

West Eyreton School Calendar Term 4 2018

As we become increasingly digital with the children as learners, we are also in many other areas of the school. By the beginning of 2019 we will no longer have a paper calendar for parents and whanau. The calendar of events for parents is available on the website <http://www.westeyreton.school.nz/Web/16/> and via the West Eyreton School App available on the app store or through Google play. As this hard copy version of the calendar is static, the above digital options are the most up to date calendar information.
