Reminder TOMORROW Thursday 21 June - NZEI Teacher Union Meeting:

The teacher union meeting is being held tomorrow at 2.00 pm in Rangiora, and, as we have a number of teaching staff attending, we ask that **parents please collect their children early at 1.30 pm tomorrow.**

Some teachers will remain at school to supervise pupils whose parents are unable to collect their children at 1.30 pm. The office will remain open and the school buses will depart school at the normal time at 3.00 pm.

Your help tomorrow would be much appreciated.

Jillian Gallagher – Principal.

School News:

E Awards:

The new E focus for the last two weeks has been **Effort** – “Staying on task and working hard to achieve our goals”.

This week’s assembly on **Friday 22nd June** will be led by the Events Leadership team with Ropu Kea sharing their learning.

The new E focus for the next two weeks is **Excellence** – “Striving for a high standard of presentation with all work”.

The new whakautauki for **Excellence** is “Kaua e mutu takiwa noa iho” – Don’t give up.

Rotary Speech Competition:

On Tuesday, 19th June, Year 8 student, Oliver Kelly, went to Fernside School to represent West Eyreton School in the Rotary Speech competition. Oliver had written a speech about teenage stereotypes. He presented this speech in front of two judges, Mrs Freeman (from West Eyreton) and Mr Spencer (from Fernside). In addition to the judges Oliver also presented in front of four other competitors and an audience of their parents. This was the final qualifier to the Rotary finals. Oliver was one point off first place, however only one place was open for the next level.

Congratulations Oliver on your excellent performance.

PEGASUS CROSS COUNTRY COMPETITION:

Last week, West Eyreton School entered into the Pegasus Cross Country Competition.

We sent a small but strong group of competitors to this event - they all worked hard to achieve at a high level.

I'm extremely proud to inform you that three of our students have qualified to compete against all schools in Canterbury.

These three pupils were due to compete today at the Halswell Quarry, but because of the weather the Competition has been postponed until next Wednesday 27th June. Good luck, Linda Marshall

Senior Events Coming Up:

All senior school students are participating in the Eyre Cluster Sports at Oxford Area School on Friday 29th June. The sports are touch rugby and netball.

At the start of term 3, the Year 7 & 8 students will begin their Technology lessons at Oxford Area School. At the request of Oxford Area School, these weekly lessons are held on Fridays, so we will be unable to send Year 7 & 8 teams to the Rangiora, Friday Sports Tournament this year.

Illness - Staying Away From School:

To stop sickness from spreading, students should be kept at home when they are ill. How long they should be at home depends on their illness.

In the case of some illnesses, the decision about whether to **exclude** students or staff will be made by the Medical Officer of Health.

The Ministry of Health gives advice on when students and staff should stay away from school when they are unwell with a more serious infection/illness.

More serious illnesses/infections include campylobacter, chickenpox, conjunctivitis, cryptosporidium, gastroenteritis, giardia, glandular fever, hand, foot, and mouth, hepatitis A & B, influenza, measles, meningococcal disease, mumps, norovirus, pertussis (whooping cough), skin infections (e.g., school sores, ringworm, scabies), and typhoid.

Help Please:

The bark in both junior adventure playgrounds requires rotary hoeing to 'fluff' it up again; would anyone be able to provide a rotary hoe and / or offer to do this for us please?

Another job we have, is the play hut outside Ropu Ruru requires shifting to bring it to the front of the concrete due to the muddy conditions.

If you are able to help us, please contact the school office, 312 5850. Thank you.

Canterbury Museum Trip Week 10, Term 2: (please see information and return form on last page)

Oxford Area School:

Oxford Area School is holding an open night on July 2nd, from 6.30pm - 8.30pm; this is a great opportunity for Year 8 families to explore secondary options for their child.

Pupils Absent From School:

A reminder that if your child/children are going to be absent on a certain day due to appointments, holiday or other explained reasons and you have let the classroom teachers know in advance, could you also please inform the school office so that when we take the roll the Secretary knows as well. This will save having to ring the family for an explanation.

World Vision – 40 Hour Famine Sponsorship Money:

If you participated in the Famine and have already collected all your sponsorship money, could you please send it along to the school office so that we can record all the details. Some information on what you organised for the weekend in the way of activities etc would be ideal so that we can let the World Vision head office in Auckland know what our pupils planned for those days.

A reminder that all sponsorship books and money must be into the office before the **6th July**. We need time to bank all the money before that date. Thank you Val O'Loughlin.
